SPONSERSHIP LETTER

YCS/2024/ Date:15 July 2024

TO WHOMSOEVER IT MAY CONCERN

We, YC Services have Sponsored IoT Based Smart Paper Weight Project made by students (Amit Tavaskar, Rushikesh Kirde, Monal Meshram, Hrishikesh Mhetre) of Rajaramabapu Institute of Technology Polytechnic Lohegaon - 47 (DTE Code:1227).

The sponsorship was mainly focused on funding the prototype of the actual product that was made as a MSBTE Capstone Project for Academic year 2024-25. The sponsorship was valid for this Project, limiting only for Academic year 2024-25 that was completed in the last week of March 2025.

This project aligns with our commitment to innovation, as seen in other groundbreaking projects like the IoT-based Smart Paperweight. This smart paperweight is designed to control electrical appliances such as lights and fans, enabling on/off control and speed adjustment. It is a practical solution for smart homes and offices, integrating IoT technology to enhance convenience and energy efficiency. Supporting such initiatives reinforces our dedication to fostering creative solutions with real-world impact.
